

Santini's Mother

PRAYER

Blessed Holy Trinity, we praise You and thank You because Mother Maria Francesca Foresti has given us a bright example of sweetness, charity, evangelic wisdom and, above all, a love of Jesus alive and present among us in the Holy Communion.

Grant us the possibility to imitate her virtues so even our life will be a glorification of Your love and, if it pleases You, to be kind as to glorify your Servant, granting us the blessing which we humbly ask You.

Pater, Ave, Gloria.

Those who might receive blessing thanks to God's Servant Sister Mother Maria Francesca Foresti, please contact the Congregation of Franciscan Worshipper Sisters Order via Emilia 339, 40064 Maggio di Ozzano E (BO) email: info@suorefrancescaneadoratrici.it, sito web www.suorefrancescaneadoratrici.it

Thoughts

- 1) Always worship our Father in Church, at home, while at work or wherever you are.
- 2) The Holy Communion is my life. Oh, Lord Jesus, that the beatings of my heart might be joined to Yours and Your wishes mould my wishes. I love You and I wish You to be loved more and more.
- 3) Let our spirit go to the Lord Jesus who raises and abates the storm and pray to Him to calm down all the storms and the struggles of our heart, those of the Church and those of every man's soul on earth, so that peace and the light of Heaven... can reach everybody.
- 4) Lift up your hearts, the Lord Jesus is the Star that will guide you, the light that will comfort you , the defender protecting you against danger.
- 5) Always turn to Our Virgin Mary so that She will stay in your heart, in your house , in this troubled world which longs for Her devotedly and passionately.
